Quiz 9: Which Search Algorithm? (video)

Quiz 9: Which Search Algorithm? (video)

search and a breadth-first

search in some order.

And what you're going to see is states--

x and y-coordinates here, because it's pathing problem--

lighting up the first time they are seen in the process of

exploring this tree.

OK, so I'm going to do something and then I'll ask you which one it is.

What is that, depth-first or breadth-first?
